Question #1:

Over the course of the last seven weeks we went over seven different God Statements. Write down how many God statements you can remember. For each God Statement you can remember, recall how you saw God in that way. (Answers posted below, but don't cheat!)

Question #2:

Can you give three examples on how you have seen God's faithfulness throughout this quarantine?

Question #3:

Throughout scripture we see Jesus heal many sick and lame people. However, he does not want to simply heal our physical bodies, what else does he want to heal? Why?

Question #4:

Go back and read through Matthew 14 where we see Jesus as Provider. Can you recall a time where Jesus has answered a prayer in your life? Write down your answer to the prayer as you give thanks for His provision.

Question #5:

What have you learned about the character and identity of God as you look back on the last seven weeks?

Worship Response:

This week take some time to go on a walk and be with the Lord. Spend some time thanking Him for His faithfulness, provision, and closeness. You can walk and talk, or simply walk in silence, but be intentional about setting aside time and walking with the Lord.
